## Experience

Nov 2022 - May 2023

Infi-pre It Services (OPC) Pvt. Ltd. | Sanquelim - Goa

### Junior Software Developer

Had experience with web development with technologies like Reactjs, React-Thunk , Prime React and laravel , Implemented state management using Redux and leveraged React-Thunk for asynchronous operations. This allowed for efficient handling of complex data flows and ensured a smooth and responsive user interface. Integrated PrimeReact, a powerful UI library, to create aesthetically pleasing and feature-rich interfaces. Utilized PrimeReact components to accelerate development and ensure consistency in design patterns.

May 2022 - Nov 2023

Infi-pre It Services (OPC) Pvt. Ltd. | Sanquelim - Goa

### Software Developer Trainee

Started my journey as a novice in the field with limited knowledge, but thanks to the guidance of my mentors, I gained proficiency in essential technologies such as HTML, CSS, and Bootstrap. Their mentorship extended beyond the basics, encompassing valuable lessons on integrating APIs and mastering the intricacies of JavaScript. Their support not only accelerated my learning but also equipped me with the skills to tackle real-world challenges in the ever-evolving landscape of web development.
